

**I-SITE  
CLERMONT**  
Clermont Auvergne Project

The I-SITE label allows  
Clermont Auvergne  
University to be part of  
the 17 Universities of  
Excellence in France

# *An integrated research university, closely connected to its territorial and socio-economic environment*

## **4 scientific challenges**

- Sustainable agro-ecosystems in a context of global change
- Innovative systems and services for production and transport
- Personalized mobility as a key factor in health
- Disaster risk and socio-economic vulnerability

*The focus: designing sustainable living and production models*

## **Programmes with driving effect, dedicated for the whole site**

Training and innovation in teaching methods, innovation and technology transfer, international strategy, talent policy, city-university collaborative framework

# 2016

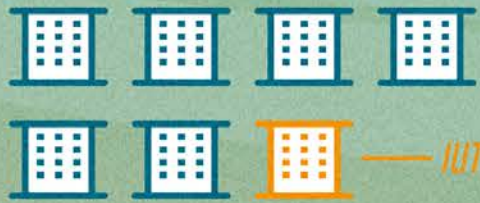

## PRES Clermont Université

Université d'Auvergne

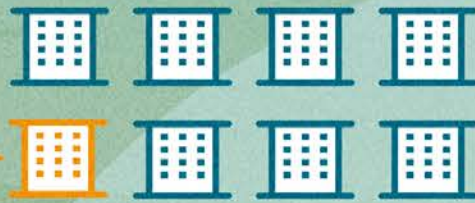

*Research and training components*

IUT

Université Blaise Pascal

*Research and training components*

*Engineering schools*

*Grandes Écoles, research organisations*

# 2021

## Clermont Auvergne University

Structured into six institutes

*A tighter governance*

IUT

INP

*Contracts*

*Grandes Écoles, research organisations,  
health care institutions, CROUS and main partner companies*

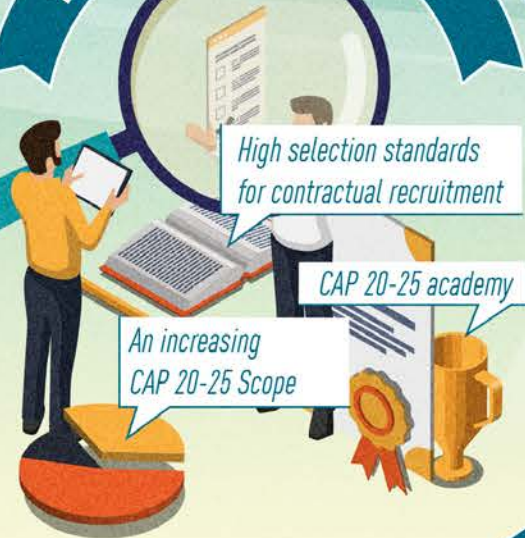

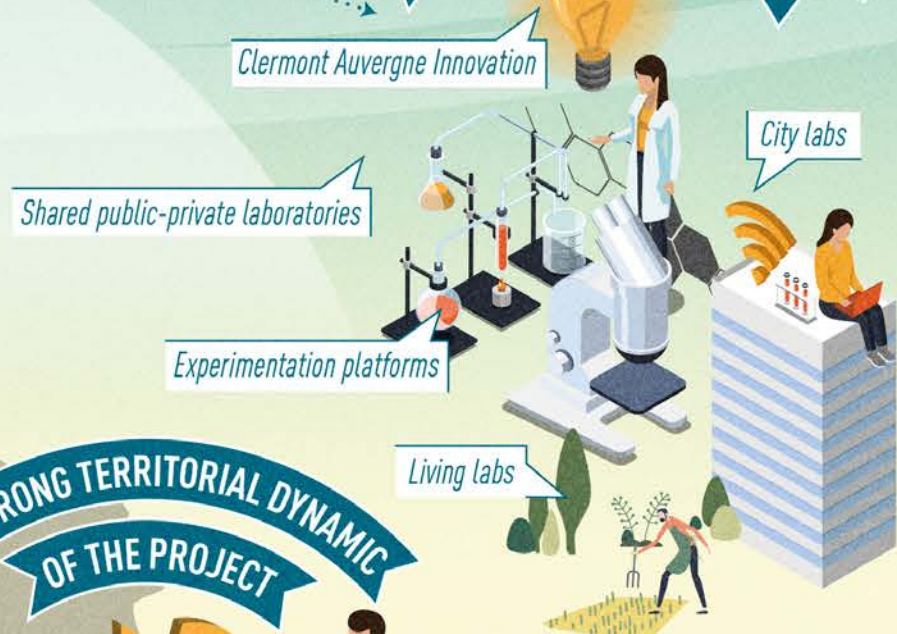

# MAJOR ACHIEVEMENTS

CAP  
20-25

## DEVELOPMENT OF HUMAN RESOURCES GUIDED BY AN ATTRACTIVENESS POLICY

## CREATION AND DEVELOPMENT OF RESEARCH AND INNOVATION STRUCTURES

## PROJECT DYNAMICS

New courses in line with the general theme of CAP 20-25

> 70 pedagogical innovation project

Graduate School CAP 20-25

## A STRONG TERRITORIAL DYNAMIC OF THE PROJECT

Partnership agreements with local authorities

45 million euros in support of the project

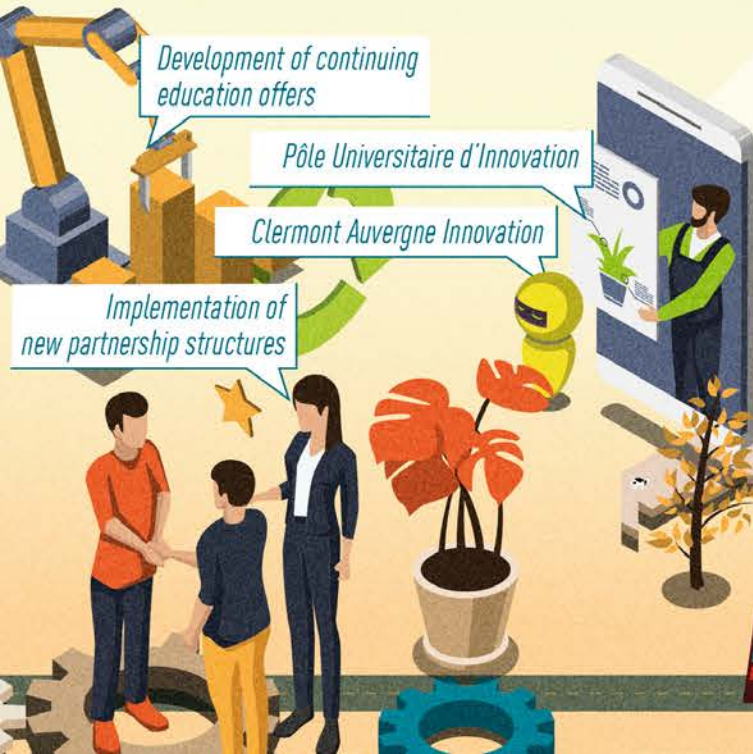

# THE MAIN LINES OF DEVELOPMENT

CAP  
20-25

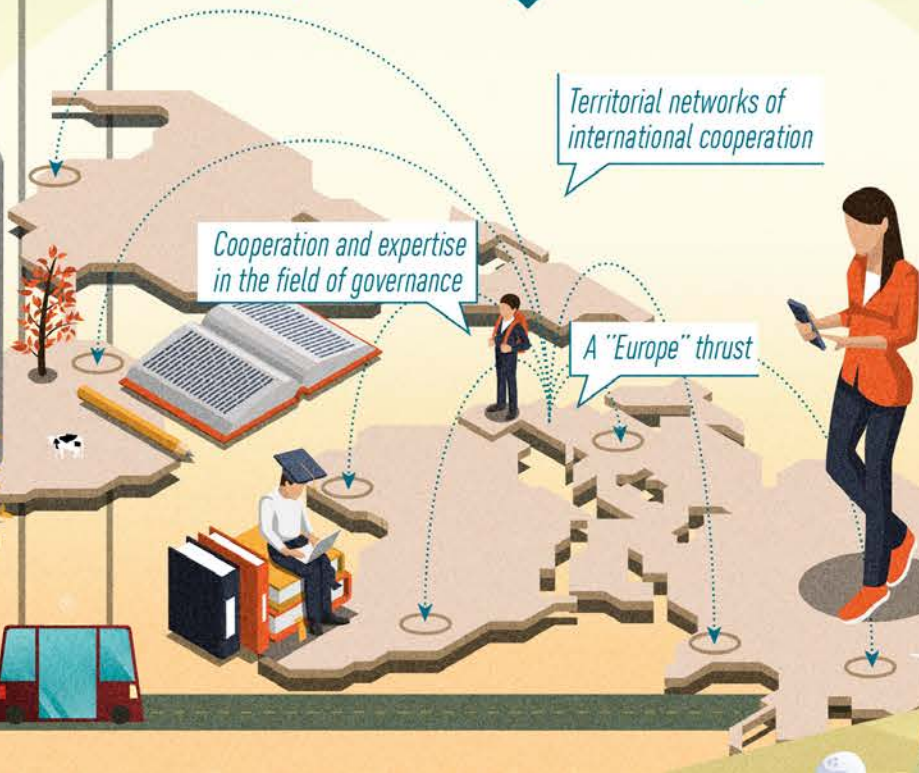

## RELATIONSHIPS BETWEEN THE UNIVERSITY AND THE SOCIO-ECONOMIC WORLD

1

## THE INTERNATIONAL STRATEGY

2

## THE UNIVERSITY'S IDENTITY
